Mr. Carroll A. Lewis, Jr.  
2115 Lexington  
Houston, Texas

Dear Mr. Lewis:

I was pleased to read your letter about the muzzleloading firearms and the plans for the San Jacinto Day Celebration.

I noted with interest your suggestion about a permanent Texas Army. If you are in Austin any time, come in and visit me and we'll talk about this.

Sincerely,

A handwritten signature in cursive script that reads "Preston Smith".
